A. Diniz, I. Doi, J. W. Swart, Proton Radiation Hardening Study of Oxynitrid European Conference, Radiation an its Effects on Components and Systems - RADECS 2001 , pp. 229-233, Grenoble, France, September 10-14, 2001. download of the Sixth International Symposium, Electrochemical Society Proceedings Vol. RADECS 2001 2001 6th European Conference On Radiation And Its. ?30.11.01, RD 2001, 1st Workshop on Radiation hard semiconductor devices 14.09.01, RADECS 2001, RADECS 2001, 10-14 Septembre 2001, GRENOBLE, FRANCE at the European Materials Research Society (E-MRS) conference in Strasbourg, 5-8 June 2001. Radiation and its effects on components and systems. 5 Velazco R., Effects of natural radiation on integrated circuits: origins, mitigation .. results, 6th European Conference on Radiation and its Effects on Components and Systems (RADECS'01),Grenoble, France, September 10-14 2001, , , 2001. Jianren Zhou Ph.D. : Center for Radiation Engineering and Science RADECS 2001 : 2001 6th European Conference on Radiation and its Effects on Components and Systems : Grenoble, France, 10-14 September, 2001. [Robert Artigos Completos em Conferencias Internacionais - Unicamp 1319. RADECS 2001 Conference Overview. THE sixth European Conference on Radiation and its Effects on Components and Systems (RADECS'01) was held September 10-14, 2001, at the Atria World Trade Center, Grenoble, France. Software dependability techniques validated via fault injection . Effects of thermal and electrical stress on DH4T-based organic thin-film-transistors with . 2375-2382, Dec. 2001, DOI: 10.1109/23.983178. A. Cester, A. Paccagnella, J. Suné, E. Miranda, .. 9th European Conference

Radiation and Its Effects on Components and Systems, Deauville, France, September 10-14, 2007 , Past events - ESA Conference Bureau Jun 18, 2014 . 2000-2001, Research Associate, Institute of Electronic structure and Grenoble, FRANCE innovative non-volatile memory devices", May 14-18, Strasbourg, France .. Proceedings of the Second European Conference on Radiation and its. Effects on Components and Systems (RADECS 93), September Dezs? Novák Royal Institute of Technology Stockholm 2001 . 6th European Conference on Radiation and Its Effects on Components and Systems (RADECS 2001), September 10–14, 2001, Grenoble, France. Y. Zhong Publications - Laboratoire TIMA Aug 30, 2015 . ABSTRACT The planned Galileo global navigation system will employ an array of satellites in medium Earth orbit. Internal charging is one of RADECS 2001 : 2001 6th European Conference on Radiation and . In this work experiments are described where the radiation hardness properties of . Components were tested for the European SMART-1 satellite to check if they .. and its Effect on Components and Systems (RADECS'01) conference 10-14. September 2001, Grenoble, France, and submitted for publication to IEEE. Selected Papers from the Sixth European Conference on Radiation . Curriculum Vitae - Vanderbilt University School of Engineering Photonique), Grenoble,. France. Invited Professor. May 2010- August 2010. Escola Técnica September 2002 * September 2003, and February 2004- September 2004. .. RADECS 2001, 6th European Conference on Radiation and Its Effects on Components and Systems. September 10 — 14, 2001. Grenoble. France. Electrical engineering--Materials--Effect of radiation . - OCLC Classify 11 Leveugle R., Early analysis of fault-based attack effects in secure circuits, . European Conference on Radiation and its Effects on Components and .. and Systems (RADECS 01), Grenoble, France, September 10-14, 2001, , , 1 January 2001 6th Biennial Conference on Electronics and Microsystems Technology, Conferences related to semiconductor detectors and radiation damage Jun 23, 2011 . Awards Committee Member 2001, 2005, and 2007 IEEE NSREC Committee Member 2009 European Conference on Radiation and its Effects on Single Event Effects Session Chairman at 2007 RADECS 10-14, September 2007. Effects on Components and Systems, Grenoble, France, pp.
